

## KOSHA signs Business Agreement with IIAC to share advanced audit techniques

- Dong-wook Lim, the Standing Auditor of KOSHA, and Gil-sung Kim, the Standing Auditor of Incheon International Airport Corporation on February 26th signed a business agreement to share advanced audit technique in the Headquarters of KOSHA, Ulsan.
- Both bodies will cooperate to realize the social value of public institutions by having regular communications and interchanges of manpower and information for effective the audit procedure.
- Dong-wuk Lim, the Standing Auditor of KOSHA, said, “Advanced audit techniques to be shared through this agreement are the most important asset destined to elevate expertise of the agencies.”
- “KOSHA will endeavor to provide high-quality accident prevention services through transparent and fair audit works,” Lim added.
