

## **KOSHA Opens Jecheon Safety Experience Training Center for Practical Training and Experience**

- Jecheon Safety Experience Training Center is opened for all workers and civilians to gain first-hand experience in safety at this new practical training and experience-oriented facility.
- KOSHA is scheduled to engage in full operation of the center right after hosting an opening ceremony of Jecheon Safety Experience Training Center in Jecheon, Chungcheongbuk-do at 3 o'clock in the afternoon of March 21st.
- ※ KOSHA is currently operating outdoor experience training centers at 5 different locations (Incheon, Gongju, Damyang, Gyeongsan and Gimhae).
- Jecheon Safety Experience Training Center is an experience-oriented facility specialized in prevention of occupational accidents with much strengthened focus on practical on-site experiences while fulfilling educational demands from diverse business venues.
- Following its ground-breaking in last March, the facility is now featured with 2 stories above ground and one underground level at the gross area of 1,977m<sup>2</sup> after a total project budget of over ₩8 billion KRW was invested.
- The facility offers 33 types of educational contents in 7 different fields\*, and patrons are allowed to gain realistic experiences with various types of occupational accidents occurring at actual worksites, such as fall accidents at construction sites.

\* Collision/trap, fall, fire/explosion, working environment, protective

gears/electricity, tripping/pinned-down, virtual reality (VR)

- Moreover, the facility helps trainees gaining real-life experiences with hazardous situations at actual sites through its virtual reality (VR) experience room.

- o All experience training programs available from Monday through Friday every week are being offered for free, and advance reservations can be made through the safety & health training portal site at [www.koshats.or.kr](http://www.koshats.or.kr).
