<http://www.icapkorea.org>

Organized by

 Korea Occupational Safety and Health Agency (KOSHA)

 Korean Society of Safety (KOSOS)

Sponsored by

 International Commission on Occupational Health
Scientific Committee on Accident Prevention
(ICOH SCAP)

Welcome

ICAP 2010 INVITATION

International Conference on Accident Prevention, ICOH-SCAP

Min-Ki Noh
President of KOSHA

Jae-Yeong Park
President of KOSOS

It is a great pleasure for us to invite you to the 1st International Conference on Accident Prevention (ICAP 2010) to be held in Busan, Korea from 20 to 22 of October, 2010.

The ICAP 2010 is co-hosted by the Korea Occupational Safety & Health Agency (KOSHA) and the Korean Society of Safety (KOSOS), and sponsored by International Commission on Occupational Health - Scientific Committee on Accident Prevention (ICOH-SCAP).

KOSHA always strives to protect workers' lives, secure safety at work, and establish healthy society. In 2008, KOSHA successfully held the 18th World Congress on Safety and Health at Work, which adopted the Seoul Declaration on Safety and Health at Work. In addition, KOSHA is making thorough preparations for organizing the 31st ICOH Congress, which will take place in Seoul in 2015.

The KOSOS is a scientific organization whose purpose is to facilitate advances in the field of safety engineering in industry and academia. To achieve this purpose KOSOS organizes domestic and international conferences and workshops, and publishes magazines, transactions and other technical booklets.

The 1st ICAP 2010 will, in particular, play an important role in preventing occupational accidents by exchanging knowledge on new prevention methods for occupational accidents and diseases with safety and health leaders, government officials, CEOs, experts from academia, workers' and employers' representatives from all over the world.

We hope all of us gather in Busan, Korea in October 2010, a dynamic season.
We wish all of you the best health and happiness.

Thank you.

M. K. Noh

Min-Ki Noh
President of KOSHA

J. Y. Park

Jae-Yeong Park
President of KOSOS

ICAP 2010

The 2010 International Conference on Accident Prevention (ICAP 2010) will be held in Busan, Korea from 20 to 22 of October, 2010. The Conference is the first international conference sponsored by Scientific Committee on Accident Prevention (SCAP) of International Commission on Occupational Health (ICOH). The aim of the Conference is to provide up-to-date discussions in the field of safety science and technology. Selected papers presented at the conference will be published in relevant international journals.

Subjects and Topics

The Conference will include plenary and parallel sessions that will cover fundamental aspects, technical approaches and the related topics in:

- Accident prevention policies and strategies
- Safety and health management system
- Risk assessment and management
- Accident prevention involving machineries
- Accident prevention involving electricity
- Fire and explosion accident prevention
- Construction accident prevention
- Traffic accident prevention
- Ergonomics and systems safety
- Trips, falls and crush accidents prevention
- OSH training
- Loss management
- Safety culture
- Occupational accident analysis and statistics
- Seoul Declaration on Safety and Health at Work
- Other excellent examples of safety management

Submission of Abstract

Abstracts must be submitted by uploading at the website <http://www.icapkorea.org> NO LATER THAN JUNE 30, 2010. Submit abstract with an email address and a full mailing address of the author to be contacted.

Participation

All those interested in attending the Conference and in receiving further information are welcomed to send an email or a fax to the Conference Secretariat below.

City of Busan

Busan, a bustling city of approximately 3.7 million residents, is located on the Southeastern tip of the Korean peninsula. The natural environment of Busan is a perfect example of harmony between mountains, rivers and the Pacific Ocean. Its geography includes a coastline with superb beaches and scenic cliffs, mountains which provide excellent hiking and extraordinary views, and hot springs scattered throughout the city.
